Class History

On September 6, 1950, four years ago, 16 wide eyed, wise looking freshmen entered A. H. S. We went through the initiation of lipstick and shower baths with flying colors and settled down to our classes.

We elected our class officers making David Flom, President; Fern Paul, Vice-President; George Austin, Secretary; and Margaret McDonald, Treasurer. Nancy McLean and Margaret McDonald were two of the three cheerleaders elected.

During the year, Kae Lee joined us making our class a total of seventeen.

We made it through the first year losing three classmates; Mary Bond, Dana Lou Dean, and Phyllis Olsen.

We began our sophomore year on September 4, 1951, losing two more classmates, David Flom and Alfred Wiseman and gaining Vondell Kennedy and Jim Moody. However, Jim didn't return in the fall.

We elected officers and they were George Austin, President; Jim Lee, Vice-President; and Rosella Sangray, Secretary-Treasurer. Rosella left us during the year to get married, leaving us without a Secretary-Treasurer for the remainder of the year.

Carol McGrath joined our class on January 14, 1952, bringing it to a total of 13.

Kae Lee, George Austin, and Donald Kelly were on the football team. George and Kae were also on the basketball team. They learned the ability to play ball under the supervision of Mr. Tuomi.

The second of September in 1952, we began our third year of high school with a total of ten classmates. Election of officers was held and Nancy McLean was elected President; Kae Lee, Vice-President; and Fern Paul, Secretary-Treasurer. Miss Murray was given the job of sponsor.

Nancy and Betty were two of the cheerleaders elected for the year. Nancy was elected Vice-President of the Pep Club.

George Austin and Kae Lee were co-captains of the football team under the supervision of Mr. Gall and Mr. Hane. George was also on the basketball team.

We had a few scrambles over selecting a theme for the Junior-Senior Prom. The Theme "Tulips and Heather" was chosen. The orchestra gave us a very nice compliment by saying that we had the nicest grandmarch they had ever seen.

Tom Pings joined us on November 14, 1952, and brought our class to a total of ten.

Fern Paul, Margaret McDonald, and Carol McGrath left us during the year and got married.

The seniors of '53 elected George Austin as Ass't. Editor and Kae Lee as Ass't Business Manager of the Annual.

To close our junior year Nancy was elected to represent Augusta at Girls' State and Bill Maphies and Tom Pings were elected to go to Boys' State.

On September 2, 1953, six very intelligent looking pupils marched through the doors of A. H. S. for their last year in high school.

George Austin had moved to Glasgow just before school started and could not be with us for our last year.

Officers were elected as follows: Bill Maphies, President; Betty Bean, Vice-President; Nancy McLean, Secretary-Treasurer. Mrs. Schmidt was made sponsor.

Nancy and Betty were again chosen as cheerleaders for the year. Betty was elected President of the Pep Club.

Betty and Nancy were elected co-editors of "The Lariat" and Nancy was also elected editor of the Annual with all the other seniors on both staffs.

Jim Lee left us after the first six weeks and we were all sorry to see him go. This left us only a class of five, of which Betty Bean was Valedictorian and Bill Maphies Salutatorian.

Baccalaureate was on May 23 and Graduation on May 26, both were held at the high school.

The Senior Banquet was held on May 24 at the Blue Room of the Community Church. The seniors parents sponsored this and the junior girls served.

Senior Class Prophecy

The stillness of a vast forest area led to the peace and quiet of a western paradise. The peace and quiet was disrupted by a small gust of wind. As we sat there watching the clouds go by, we counted them. There were five. As they came closer they reminded us of the five seniors of "54".

In the lead was a big beautiful cloud, which reminded us of Betty Bean. She seemed to speak telling us she was happily married and that she is living on a ranch in the Rocky Mountains.

The next cloud reminded us of Kae Lee, who is a member of Notre Dame. He seemed to tell us he had finished another successful football season by scoring a total of 56 touchdowns.

Stillness once more prevailed as we see Nancy McLean. She married a handsome cowpoke, who is owner of a vast number of oil wells.

The image of Bill Maphies seemed to appear in the fourth cloud. Bill is a reserved gent, who is the first of the class to gain a fortune. (He lights his cigars with \$5 bills.) Bill succeeded in crossing bees with grasshoppers and is now producing an ever-loving drink of "Honey jew".

The last cloud of our reminiscence floated by. It was the image of Tom Pings. Tom followed the footsteps of great rodeo performers and is now a famous western song artist.

The clouds slowly went on their way. But they will be back bringing memories of our past schooldays and friendships.

The Juniors of "54"

Last Will and Testament

We, the Senior Class, being of mature age, of generous mood, and sound and disposing mind, do hereby indite this, our last will and testament.

ARTICLE I:

Item 1. To the junior class we bequeath our senior privileges--not enumerated, but nevertheless enjoyed.

Item 2. The publication of the Annual, with all its attendant joys.

Item 3. Our hearty wishes for their senior year.

Item 4. Our ability of organization, an unindolent attitude.

ARTICLE II:

Item 1. We will to the sophomores the age-old privilege of tormenting the freshmen to their hearts' content, and of furthering their beauty and accomplishments.

Item 2. We will all our knowledge that we have received in school. "We don't need it."

ARTICLE III:

Item 1. We bequeath to the freshmen our ability to get things done.

Item 2. We hand down the art of walking, talking, reading, writing, chewing gum, and in all ways, acting with seemliness that would become the seniors. We trust and hope they soon will be.

ARTICLE IV:

Item 1. To the incoming freshmen we leave our share of the waste paper basket for the use of parking gum.

ARTICLE V:

Item 1. To the teachers and to our school we leave the influence of our efforts and our loyalty.

ARTICLE VI:

Item 1. We do individually leave the following to various members of the high school.

Clause 1. Nancy passes her skill of cheerleading to Betty Spinder and her ice skating ability to Mrs. Schmidt.

Clause 3. Tom leaves his dexterity to tinker around on the piano to Mr. Rohnke, height to Mr. Gall and ability to master chemistry to Gene Nett.

Clause 4. Betty donates her diabolic disposition to Janice Neal, and her talent of playing the piano to Ruth Jackson.

Clause 5. Kae wills his dramatics ability to Virginia Shortridge and his dreamy smile and sweetness to all the freshmen girls.

ARTICLE VII:

Item 1. The senior boys bequeath their powerful physiques and good looks to the freshmen boys.

Item 2. The senior girls bequeath their beauty to the sophomore girls and their streamline figures to all the girls in high school.

Done in convention by the unanimous consent of the students present, the 9th day of February, in the year of our Lord one thousand nine hundred and fifty-four.

Reg Wearley

Reg's passing ability as a quarterback accounted for many good gains for the Elks.

Jack Hane
Assistant Coach

Gene Nett

Gene was an outstanding defensive center and an offensive halfback.

Members of the team of 1953-54 can justly feel proud of their season's work. Although they lost 4 games, they won two. The football year was a success from every point. The other teams of the conference play, found the Elks had a team that by no means was easy to score upon. Our team this year was, on the whole, inexperienced and lacking in confidence; nevertheless, they invariably displayed a stone-wall line and a plunging, hard hitting backfield.

Squad

Gene Nett is a junior who stands 5'8". Gene is one of our mainstays and is a fast-break man. Gene is a very good defensive man where he plays at a forward position.

Gene Nett

Reg Wearley

Reg Wearley is a junior who stands 5'8". Reg could be called our floor-general, as he is the man who sets up our plays and guards against fast-breaks. Reg's defensive play was very good along with a much-improved shooting-eye this year.

Bob Bean is a sophomore standing 6'3". Bob is probably the best defensive man we have. He plays center and has done a commendable job against all opposition.

Bob Bean

Ray Mills

Ray Mills is a junior who stands at an even 6'. Ray plays both forward and guard. Ray is equally good on defense as well as offense. He has a variety of shots that are going to do us a great deal of good next year.

Ray Phillips is a junior who stands 6'. Ray plays outstandingly at the forward position and is one of our toughest men to guard. We are looking forward to have Ray back next year.

Ray Phillips

Coach Jack Hane

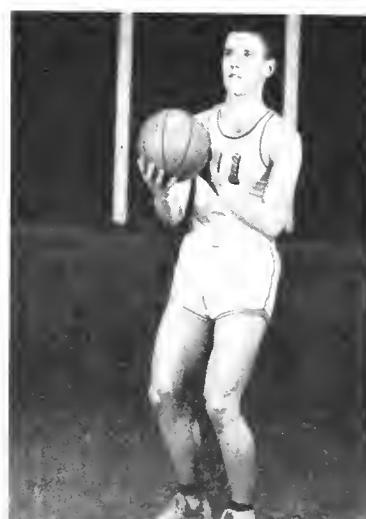

John Girardi

Mr. Gall

Joe Bohler

John Girardi is a freshman who stands 5'6". John is noted for his dribbling and shooting. He will be an asset to Augusta for the next three years. John plays guard.

Joe Bohler is a sophomore who stands 6'1". Joe is no doubt the most deceptive passer we have. He has a left-handed hook-shot that is almost impossible to stop.

Don McBratney is a sophomore who stands 5'8". Don is a good guard and has great speed. We will be looking for good play from him the next two years.

Frank Morgan is a junior who stands 5'11". Frank is one of our best fast-break men and is a good guard. Frank's shooting has improved greatly and will be a great help to us next year.

Jim Allen is a junior who stands 6'. Jim has a jump-shot that is hard to stop. His passing and setting up plays helps our team greatly.

Girl's Athletics

During the year, we have participated in several sports. The sports were as follows: Softball, archery, horseshoes, sockerball, basketball, volleyball, and play on the trampoline.

At the beginning of the year the class decided to choose teams. These teams were to participate in the different sports. So many points were to be given for each win during the year. No points were given for the games lost. The team with the most points were to be awarded with a party given by the losers.

Captains of the two teams were Betty Spinder and Nancy McLean.

A quartette composed of Susan Schrader, Ramona Brunett, Nancy McLean and Elaine Magnuson accompanied by Betty Bean sang at the Charter Banquet of the Lions Club.

In the month of October the girls of the Pep Club increased their funds by selling baked goods and candies.

These funds were used to pay for transportation to and from the games.

The girls were very cooperative during their activities of the year.

The Lariat Staff

The Lariat, a paper published every two weeks, kept the students, faculty, and people in the community well versed on activities of School District #45 and news of the community.

Betty Bean and Nancy McLean put in a busy year as Co-editors of The Lariat. They faithfully kept close contact with the editors, reporters, and managers of The Lariat Staff; they voluntarily spent many hours outside of the regular class period preparing and running off stencils; and they started a catalog of all issues of The Lariat.

The Lariat is a self-supported paper. Arlene Kenck kept The Lariat on sound financial tracks as Sales Manager.

Other members of The Lariat Staff were as follows; Reg Wearley, Assistant Editor; Gene Nett, Ray Mills, and Kae Lee, Sports Editors; JoAnn Nett, Girls' Sports Editor; Janice Neal And Tom Pings, Art Editors; Betty Spinder, Feature Editor; Elaine Magnuson, Community Reporter; Virginia Shortridge, High School Reporter; Donnita Hitchcock, Grade School Reporter; Janice Neal and Ruth Jackson, Humor Editors; and Ruth Jackson and Billy Maphies, Advertising Managers. MONTANA HIGH SCHOOL RODEO

Montana's fastest growing sport is the High School Rodeo and Augusta High School can take credit for originating and developing this rising youth activity. Designed to raise scholastic standards and entice our boys and girls to remain in school, the Rodeo, now in its fifth year, has become own throughout the state. The National High School Rodeo, held here the summer of 1952 was the most successful ever produced, and High school cowboys and cowgirls throughout the West are looking forward to the National when it will again be held at Augusta, Montana.

Augusta entrants in the High School Rodeo last year were Noel Mosher, Jim Allen, Karen Mosher, Frank Morgan, Don Ops, Elaine Magnuson, Bud Hubbard, Virginia Shortridge, Gene Nett, JoAnn St, Tommy Pings, and Nancy McLean. They are pictured here.
